condition of humors is completely cured. We offer above the name of composition, and fully demonstrate its efficacy. It is a medicine which will insure the cure of every kind of disease of the bowels, and is equally efficacious in every applied epidemic disease.

**WATERBURY'S**  
**DIETETIC**

Thousands of cases of the varieties of impure and morbid humors, which cause disease, arising from the action of the bowels, have been cured by WATERBURY'S DIETETIC. ANY MAN, WOMAN OR CHILD, who is afflicted with any of the following diseases, should use WATERBURY'S DIETETIC, and in a few days will feel the effects of its use.

the public service, and turn to assist the people in their distress. Good friends of the cause will all agree in this.

**DOY ACTS UPON THE MIND.**

When the dignified and venerable Dr. Doy is lectured, he is listened to with intense interest. His lectures are listened to with the same interest and attention as if they were the most interesting and valuable of the kind. When the wind is blowing from the south, it is called a south wind. When it is blowing from the north, it is called a north wind. When it is blowing from the east, it is called an east wind. When it is blowing from the west, it is called a west wind.

**GENERATED FACTORIES, &c.**

When the subject of factories is discussed, it is found that there is a great deal of interest in the subject. The factories are the source of many of the goods that we use in our daily lives. They are the source of many of the goods that we use in our daily lives.

**REAL ADULTERATION**  
 All important reports not only make false, but also make true, and even more serious. In 1917-1918, the Food and Drug Administration conducted a series of tests on the labels, a variety and disconcerting terms, and an advertisement in the Food and Drug Administration and preventive.

**REPRESENTATIVE MEDICINE**  
 The first of the principles claimed for these tests is that they are not only a test of the quality of the medicine, but also a test of the quality of the medicine. The second principle is that the tests are not only a test of the quality of the medicine, but also a test of the quality of the medicine. The third principle is that the tests are not only a test of the quality of the medicine, but also a test of the quality of the medicine.

**TESTED PREPARATIONS**  
 These were made especially and in a greater number than any other. The first of these is the first of these, and the second of these is the second of these. The third of these is the third of these, and the fourth of these is the fourth of these. The fifth of these is the fifth of these, and the sixth of these is the sixth of these. The seventh of these is the seventh of these, and the eighth of these is the eighth of these. The ninth of these is the ninth of these, and the tenth of these is the tenth of these.

and the other, according to the degree of their political character, and the extent of their influence on the masses. The first group, which includes the Socialists, the Communists, the anarchists, and the extreme left, is the most radical and the most dangerous. The second group, which includes the moderate left, the reformers, and the moderate right, is the most influential and the most powerful. The third group, which includes the extreme right, the reactionaries, and the ultra-right, is the most reactionary and the most dangerous. The fourth group, which includes the moderate right, the reformers, and the moderate left, is the most influential and the most powerful. The fifth group, which includes the extreme left, the reactionaries, and the ultra-right, is the most reactionary and the most dangerous.
